

Savabeel Colt

Wow....look at this colt by sire sensation Savabeel!

He's tipped to take the mantle from Zabeel and we just couldn't help ourselves; John Foote and Darren Weir were instructed to get one and that's exactly what they did!

What can you say about the sire? Cox Plate winner at 3, out of Zabeel, by a blue blood mare in Savannah Success and his progeny have gone from strength to strength each season.

This is a typical Savabeel colt and he looks a really strong 3YO staying type; just like the old man!

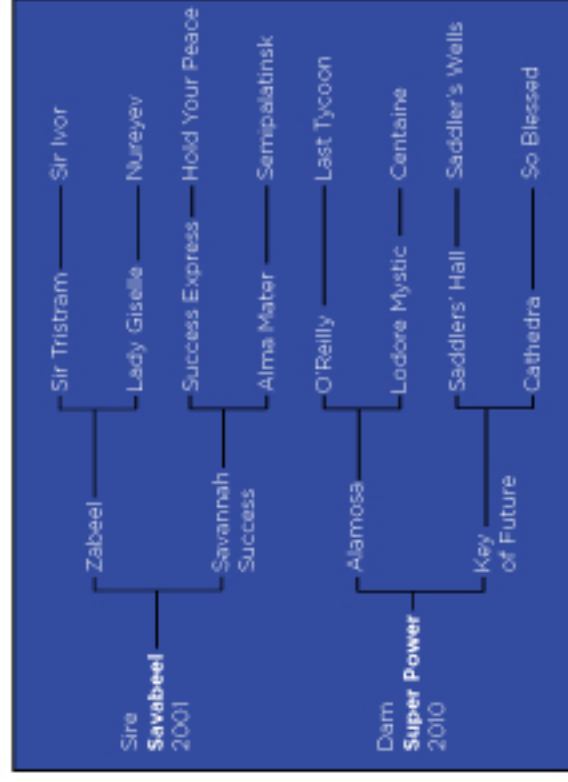

The Savabeel's have been taking all before them in the last 2 years and there isn't a 3YO classic race without at least 1 or 2 sons & daughters racing for black type. His stakes winning progeny include;

Sangster (Victoria Derby, Gr.1), Kawi, Lucia Valentina, Pasadena Girl, Brambles, Shillelagh, Savvy Nature, Chintz, My Emotion & Gold Fever.

The dam Super Power is out of Alamosa who was unraced, however the 2nd Dam is a half sister to **Might and Power!** As you look through the page to the 3rd Dam there is quality all through it including Lucky Owners, Miss Power Bird, Time For War, Hifiyer and champion filly Mosheen.

This colt will remain in NZ for a break after the sales, will be broken in and have a preparation in NZ before returning to Darren Weir's in the spring.
